# Carroll Valley Borough

e-newsletter

March 2, 2010

## Dear Neighbor,

Carroll Valley Borough is pleased to present its newly reformatted e-newsletter, which should make it easier to keep residents and other interested persons informed of Borough happenings. We hope you like the newsletter!

This time included two very significant snowfalls which produced about 50" of snow locally. You may be surprised to find out that these two storms cost the Borough over \$90,000 to clean up.

Our crews did a magnificent job of dealing with difficult conditions to get all residents out of their home, in many cases long before surrounding communities. Carroll Valley Borough Road Workers are very special people, with very unique talents. You may have noticed that Carroll Commons has been closed to the public since the Floods of January 20, 2010.

Unfortunately, more than half of the walking path was destroyed, and most of the protective underlay beneath the play equipment was washed away. We hope to have the repairs completed soon, meanwhile we recommend you visit our park in the Ranch Section, Ranch Trail Commons. This park has many of the same amenities.
