Long-Time Borough Worker's Receive Recognition

Sterling Shuyler and Richard Cool were recently awarded Certificates of Appreciation for having provided more than 20 years of exceptional service to the Borough of Carroll Valley. Sterling began his employment with the Borough in 1989, while Rich began shortly after that in the beginning of 1990. Both men have worked hard and proven themselves dependable, resulting in their continued advancement within our organization.

Currently, Sterling serves as the Senior Crew Leader / Mechanic and Rich serves as the Sewer Treatment Plant operator. Their hard -work and dedication to the Borough is very often overlooked, but serves as an exceptional guide for all lessor tenured employees. Thank you both for all of your hard work!
