NEW BUSINESS

Police Report – Chief Hileman gave a report on recent illegal activities:

- DUIs are up
- Thefts out of cars/Burglaries under investigation.

Road Debris (grass clippings)- A discussion was led by Councilor Dan Patton regarding the danger of grass clippings and leaves being blown onto the trails. He pointed out leaves can build up in a storm sewage and cause flooding. If they make their way through the storm sewage system to the lakes or streams they may affect the ecosystem. The committee decided that it was not a wide spread problem and no recommend action was made at this time.

Public Safety Information Portal – Mayor Harris explained that he still needed to discuss with Mr. Hazlett whether there was space available on the web-site to re-establish the portal.

FREMA- Mayor Harris explained the mission of FREMA and the need for volunteers to support their Emergency Operation Center during emergencies. He asked the members of the Public Safety Committee to think about joining. If interested, he asked them to contact him.

Radio Project – Chief Hileman provided a brief report of the Adams County Commissioners approved project to update the Emergency Radio System.
